Commissioner of Patents

Dear Commissioner:

Applicant hereby provides notice pursuant to 37 C.F.R. §1.27 (g)(2) that small entity status is no longer appropriate with respect to the above-identified application.

It has now come to light that the assignee had a license agreement since June 14, 2007 with a concern which would not qualify for small entity status. Due to an inadvertent error, official fees for extensions and subsequent RCEs in the above application were paid as a small entity.

It is respectfully requested that the enclosed retroactive official fees be accepted by the PTO to rectify this inadvertent error. The fees are computed as follows:
